

The Indoor Track

Outside of track season, The Norton Healthcare Sports & Learning Center's indoor space can be utilized for a variety of events. Banquets with stage presentations, concerts, trade expos, vendor-based events and demos are a few examples.

- The track area, once empty of the competition elements, is approximately 70,000 gross square feet.
- Grandstand seating of 2,797 is available on the west side of the floor; bleacher seating of 1,216 are available on the east side of the floor.
- Concert electric is available in the center of the east wall between the bleacher seats; 110-volt power is available via various floor ports located on the track surface.
- A 60' x 40' stage is available, along with 1,500 floor seats garnering a house capacity for a staged event of 4,300.
- The floor can accommodate (with rental tables) a banquet for 1,000 people along with a 60' x 40' stage.
- A green room with a private restroom/shower is adjacent to the floor.
- A media room with hard-wired internet access and plenty of 110-volt outlets is located just off the floor also.
